**CHILD AND ADULT CARE FOOD PROGRAM
AFFIDAVIT FOR FREE AND REDUCED-PRICE MEALS
FISCAL YEAR 2010**

Dear Parent:

The Child and Adult Care Food Program require that the reimbursement this center receives for meals served to all children be based on income information submitted by each parent. This benefits you because it helps us to keep the charge for child care at a lower rate. This information will be kept confidential. If your household has income less than or equal to the income levels below, the center receives more reimbursement for the meals served to your children.

In the operation of child feeding programs, no child will be discriminated against because of race, color, national origin, sex, age, or handicap. If you believe that you have been discriminated against in any USDA-related activity, you should write immediately to the Secretary of Agriculture, Washington, DC 20250.

CHILDREN WITH DISABILITIES: If a child has been determined by a doctor to be disabled and the disability would prevent the child from eating a regular meal, this center will make any substitutions prescribed by the doctor. If a substitution is needed, there will be no extra charge for the meal. If you believe your child needs substitutions because of a disability, please contact us for further information.

Participants attending this center who are receiving Food Stamp, FDPIR, or cash assistance (TANF) are eligible for free or reduced-priced meals only if the child(ren)'s name(s), the appropriate case number(s), and the signature of the adult household member who completed the application is included on the affidavit. In certain cases, foster children are eligible for free or reduced-priced meals regardless of the income of the household with whom they reside.

Households with incomes less than or equal to the income chart for reduced-priced meals above are eligible for free or reduced-priced meals. In order for the center to be considered eligible for free and reduced-price meals based on income, an application must contain complete documentation of eligibility information including total current household income, names of all household members, the social security numbers of the adult household member who signs the application, or the word "None" and the date and signature of the adult household member who completed the application.

Household members who become unemployed make the Center eligible for free or reduced-price meals during the period of unemployment, provided that the loss of income causes the family income, during the period of unemployment, to be within eligibility standards for those meals.

Section 9 of the National School Lunch Act requires that, unless your children's Food Stamp, Cash Assistance or FDPIR Case number is provided, you must include a social security number on the application. This must be the social security number of the adult household member signing the application, or an indication that the household member does not have a social security number. Provision of a social security number is not mandatory, but if a social security number is not provided or an indication is not made that the adult household member signing the application does not have one, the application cannot be approved. This notice must be brought to the attention of the household member whose social security number is disclosed. The social security number may be used to identify the household member in carrying out efforts to verify the correctness of information stated on the application. These verification efforts may be carried out through program reviews, audits, and investigations and may include contacting employers to determine income, contacting a Food Stamp or welfare office to determine current certification for receipt of Food Stamps, Cash Assistance or FDPIR benefits, contacting the State employment security office to determine the amount of benefits received and checking the documentation produced by the household member to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported.

RACE: Please circle the race or ethnic identity of your child. You are not required to answer this question; we need this information to be sure that everyone receives benefits on a fair basis.
